

Dec. 12, 1928.

Mr. Wallace Case,
Emery, Utah.

Dear Sir:

RE: MUDDY DIST.

I have your letter of Dec. 11 with reference to your services as water commissioner on Muddy Creek and would say that if you will kindly give me a memo of the length of time you were occupied in this matter I will fix up the proper voucher for your execution.

Yours very truly,

State Engineer.
